# Michael A. Boudreau

Michael A. Boudreau was, and always will be a beloved student and member of the Class of 2015. Whether it was in the classroom, his hand raised constantly, on the soccer field or in the community, he has changed all our lives. Michael's love for knowledge and his desire to help people made him a wonderful person to be around. Who can forget his love for heart surgery and his youtube video about his Christmas wish. He donated to The Children's Hospital to help those children in need. Michael's sportsmanship and love of the game could be seen from across the field. He was more than a teammate to his team but a kind, exergetic, fun-loving kid who kept everyone always smiling and laughing, even when there was not a winning number on the score board.

Michael's future was among the brightest, and it was easy to see that he was going to go on to do some pretty wonderful things. However, on June 11, 2011 Michael's life was taken far too soon. Michael has taught us all that giving is more than just an act. Through his dedication and passion he brought happiness to many. Whether you knew him all your life or had one conversation with him, Michael Boudreau brought us all together through his inspiration. Michael A. Boudreau was our classmate, teammate, friend and will never be forgotten.

Thanks Mike for all you've done,
Love the Class of 2015
